

State President's Project  
Pin Purchase/Presentation Form

“Common Threads in a Shared Tapestry”

Promoting patriotism, honoring our rich heritage and history, and a love of our great country are the threads. The tapestry is the result of weaving those threads together by sharing our stories with one another. The project is to help the Museum of the Southeast American Indian on the campus of the University of North Carolina – Pembroke tell their story to museum visitors through a hands-on experience. Funds raised, through the purchase of the project pin and donations, will go towards the outfitting of backpacks with a tablet, manipulatives, and take-away memento of the visitor's experience at the museum.
