“Helping our Veterans Heal”

NCSCAR is partnering with Wags4Tags, a non-profit organization that adopts a dog from an NC kill shelter and trains them to meet the unique needs of a specific veteran. Both the dog and the veteran go through a full year of training together to make sure they are compatible, and that both the dog and the veteran are ready to be a team. Wags4Tags has matched over 60 rescued dogs with our North Carolina veterans in need.

All funds raised from the sale of pins and through donations will be used to support the State President's Project to fund the rescue, training, and provisioning of 3 additional service dogs to 3 North Carolina veterans in need.

Pins are a \$10.00 donation each.
